

# **Eighth Annual Rocky Mountain Humanistic Counseling and Psychological Association Conference**

## **Direction to Locations**

The Eighth Annual Rocky Mountain Humanistic Counseling and Psychological Association Conference will be at two different locations that are about a 5-minute drive apart.

The pre-conference (Friday 8:30 AM to 4:00 PM) will be held at the RMHCPA build at 1767 S. 8th Street, Second Floor, Colorado Springs, CO 80921.

The conference (Friday 6:00-9:00 PM; Saturday 8:30 AM - 6:00 PM) will be at the Mt. Carmel Veterans Center at 530 Communication Cir. Colorado Springs, CO 80905. More detailed directions are below:

### **Directions to the RMHCPA Building**

It sometimes is tricky to find the RMHCPA building. It is on the south end of Broadmarket Square, behind (i.e. East of) Great Moves Physical Therapy. The buildings are not numbered logically in Broadmarket Square, which does create some confusion at times. ***We recommend planning to arrive 15 minutes early in case there are any challenges finding the building.*** From South Eighth Street, we are directly behind (i.e., east) of Great Moves Physical Therapy.

## **Directions to Mt. Carmel Veterans Center Mount Carmel Veterans Center**

As you near 530 Communication Cir., there will be multiple Mount Carmel buildings. Be sure to look for building with 530 on it. The doors must remain locked during the conference, so it is important to arrive on time for the conference. We will try to have someone listening for people knocking on the door if arriving late. The email from Eventbrite will include phone numbers you can text in case you are trying to enter and no one hears you.

There are two entrances in the front of the building; however, we can only use one of them. We will have an RMHCPA sign near the front and back entryways. In the front of the building, use the south entrance, which is on the right side when approaching the building. There is more parking in the rear of the building, which is located near the center of the back of the building.

***We strongly recommend you planning to arrive at least 15 minutes early.***
